

THE HARRIS LIST

The Original List of the Nation's Best Arts & Crafts Shows™

The Harris List contains the most up-to-date information available on the **BEST** arts and craft shows in the US. The List contains approximately 135 **accurately rated** shows recommended by the artists and craftsmen who have attended them. The purpose of the Harris List is to guide a select group of medium- to high-end fine artists and craftsmen (work priced \$50 up to \$1000's) to shows where their efforts will reap the greatest return. The Harris List encourages artists and craftspeople to support and attend the Best arts and craft shows - shows that truly respect and support fine artisans. The quality of the Harris List is largely dependent on feedback from you. I welcome all comments and suggestions and will appreciate hearing from you. You can write or call me at (719) 742-3146.
